

# Aduke

Aduke has background in dance-theatre having worked with the renowned Crown Troupe of Africa and exceptional Creative Director Segun Adefila for 6 years. She started a band called SSV (sticks, strings and voices) in 2009 with two other people, the band has grown to have 8 members in total including Aduke. The versatile band now named The SoundWagon, expands taking on visiting musicians and reduces to satisfy the need of any performance. Aduke and The SoundWagon have performed at several events.

Aduke plays afro-soul, folk, afrobeat, afrojazz, uses her primary language, Yoruba, English and Pidgin to convey her message and experiments with the use of other languages in the world. She is an advocate for the use of Art for social and political reforms and makes conscious music that talk about relevant issues.

Aduke was a part of the tandem art residency project between Brazil, Nigeria, Germany and Pakistan with the Goethe institute researching on a project called “how free are the arts”. As part of her research for the project, she was a visiting *professor* at the Art school in Parque Lage, she was also a presenting artiste at the Museu do Amanha, Rio De Janeiro.
